ASA in Command Mode Example - bvpn-console. In this example, the bvpn-console group is disabled. Menu Home The Story of a Little Girl with a Big Dream Amber lives with her parents and sister in a farm house in a small rural town. Her family is not rich and they are just trying to stay off the welfare system, which adds a lot of stress and strain to their lives. She wants a school desk but her parents don't want to spend \$200 for a desk because "We don't want to do any more debt." Her mom offers her a book in exchange for some of her toys. Amber is not a big reader but she follows along with the book and reads all the way through. A few weeks later, Amber tells her mom about the story and asks if she can have the book. Her mom doesn't think it is very interesting and Amber can't understand why it is so special to her mom. After a few years, Amber has grown up. She is now 17 years old and believes she is finally cured of her big dream and the desire to attend college. That night, she is getting ready to go to bed when her mom interrupts her with another story. This time, it is about a girl named Bella. Amber listens as her mom tells her about the events in Bella's life. Bella was born into a very wealthy family and was raised in the most exquisite surroundings. She had the best f30f4ceada
