
Doki Doki Literature Club Fan Pack Download Without License Key

Now the original amazing DDLC experience is filled with many new features and content exclusive to Doki Doki Literature Club Plus! Meet Shuji, a new classmate, and become Misaki's best friend. But be careful! This game will make you fall in love with it. You can help Misaki become more popular at school by granting her every wish, or you can fall in love with her instead. The game has the ability to make choices that will affect Misaki's future. The game has many secrets and different endings to help you figure out what's next for Misaki. Can you be her boyfriend? Or best friend?
