Hi I'm trying to download Empire Total War 1.6 but I just get nothing done. I had it running smooth but when I updated, the the save file (C:\Users\Username) was gone. When it's playing, it says a lot of my save files are missing. Does anyone know where it went? I really need my saves to be able to continue my game. It's almost a week later and still no luck. Please help me out, thanks for reading this. Resolution: Okay so I found out what was going on. It was the first time I played Empire Total War after one of the updates. Because of the Autosave, EA saved my game and now it was comparing it to the old saves. The Autosave was the best thing you guys had for Empire Total War, so I want to give you some thanks for it. – It's great that you guys came back and will be updating Empire Total War soon. Thank you for reading this. Feb 9, 2019 I'm having some issues with Empire Total War: Rome – II, I think it's fixed in 1.6.4, but here's my timeline: Dec 30, 2018 Empire Total War Patch 1.6 Is Out.
