September 27, 2018 - Most of these systems show a start screen called "Audi Multimedia Interface" and have a very similar menu appearance. However, the Audi Media system offers users even more options for selecting content: audio files, photos, videos, social media posts or other content. Audi Media includes an intuitive touch-based interface. The navigation screen allows the user to select routes and also contains a voice search function. Audi Media will offer users an "Audi Drive Your Way" where they can choose from three options.
