December 20, 2019 Service Pack 1 for Microsoft Office 2013 32-bit contains new updates that improve security, performance and stability. This package can be applied to Office 2013 with the latest updates, as well as Office 2010 and Office 2007. How do I upgrade to Office 2013 Pro Plus? To install, you must run the update installer. On the next screen, you must enter a username and password. After entering the username and password, you must accept the license agreement. After that, you will be prompted to perform the action: "Install update". Important! You must restart your computer after installation.
