having more time with your family. You know that by becoming a part of the work from home revolution, you could make more money than you ever imagined. Wahmazon is the place where you will find the information and tools that you need to make your dream of a work at home business a reality. This book is a remarkable journey into the life of one of the most successful work at home moms in America. In this first of two part book, Denise is described as a woman who has been struggling to find fulfillment in her daily life. A work at home mom and mother of two, Denise says, "I was working full time outside of my home and getting no real sense of fulfillment in my life. I was constantly on the run from one thing to the next. There was a constant feeling of urgency and impatience. I would always be getting somewhere and then I would always have to keep moving. In the evenings, I would get home from work and immediately start working on something else. I always had a feeling that I wasn't doing anything right. I would always work so hard and always feel like I wasn't getting anywhere." As a work at home mom, Denise believes that she is building her own business.
