December 11, 2018 - Gross Beat is a time manipulation effect designed for repeat and scratch effects. It is ideal for real-time strobe or visualized strobe, as well as for creating the effect of time in the scene, as well as for creating temporary effects on the stage.to help you create your own unique experience. Grain is a relief-creation technique that uses a rough (rough) texture on a surface to create the visual effect of roughness.this effect is not complicated, but it looks amazing.and if you want to create something new, this is the perfect tool for you!
