Q: Importing a Project from Github into IntelliJ IDEA 16 CE I was trying to add a project I was working on to IntelliJ IDEA, which is a shame because there is no Google Play Services. I was wondering if you can import a project that I have on Github into IntelliJ. A: As it turns out, Google Maps plays nice in IDEA! For these types of things, Google maps open up an Android activity which may be very helpful when looking at something like this. -5-Methyl 3e33713323
