Kings Bounty Dark Side Premium  
Edition PC Game ~REPACK~  
Free Download-PROPHET

Only one boss fight (can be pro if you don't like boss fights). Overall: I wholeheartedly recommend this game. On that note, I can finally wrap up my review of what I consider to be the best shooter at the moment. -I will try to keep this update for the next few days, and maybe I will get back to work on other games. Thanks for reading and hope you find this game fun.
