Hue is a puzzle platformer combining puzzles, platforming, arcade elements and an action-puzzler. Our task is to use Hue, the only colour left in the universe, to set the entire world of color on fire. However, it is a journey full of color, fun and danger. So take control of Hue and take up the quest to become the best guide in the world! Castletownbere Pottery is a pottery manufacturer based in Castletownbere, County Cork, Ireland. History Castletownbere Pottery, established in 1981, is the leading manufacturer of hand painted tablewares and ground ceramic products in Ireland. It is registered with the Companies Registration Office under No. C45270. Overview Castletownbere Pottery is listed with the Irish Auctioneers and Valuers Society. The partners in the company are Terry Balor, his sister Ann Brennan and Terry's father Dick. Fire The production of pottery began in a small workshop on Cork's Main Street. As the business grew, several extensions to the premises were bought and it now has 22,000 square feet of indoor/outdoor production space. The business operates a 24-hour-a-day output facility, where it is equipped to export and deliver immediately to tableware wholesalers and retail stores throughout Ireland, the UK and mainland Europe. In 1998, the company went into receivership after financial difficulties. The company then began manufacturing cornware products and recovered from the receivership. In 2007, the company was adjudicated bankrupt. It resumed production in 2009 after a new year of economic growth in Ireland.
