In order to make you feel like a real heroine, I wanted to combine the elements of shooting, tower defense, and life. The game is very simple, just quickly straight up. You are a J-Girl, a girl wearing armor to kill monsters in the forest. By using the elements of shooting and tower defense, you shoot the monsters from the defense towers which you can build around the forest. You can only shoot monsters, and you do not have AP or SP. You can only build towers which you earn from the monsters. This game is not the game you cannot win, but the game which is difficult to defeat. ☐Heroine ☐Hero ☐Rookie ☐Boss ☐Monster ☐People ☐Events ☐World ☐Fight ☐Alloys ☐Design ☐Storyline How to Play: You are a J-Girl, a girl wearing armor to kill monsters in the forest.
