=====  
•What's new or changed in the game: =====

- Added the second song track - Optimized performance - Other minor improvements

Comments and Ratings for Putin VS ISIS - OST: Write a Comment Rating:

4.6.13.60.13.0+0-0Share, Subscribe! Kyle\_USA ,02/09/2013 Putin Versus ISIS One of the coolest Eastern European Casual games that I've played. I recommend it to everyone, who enjoys fast-paced action, and is looking for a decent deal on a game. I have made two youtube videos about my personal experience in playing this game with a tip to make the game last longer. I have a bad habit of playing games that play harder than they are supposed to, but never this time. I ended up making the experience worth at least the cost of the game itself, but not short on fun. My first video can be found here. I play this game on the Lumia 930, the phone adds the biggest challenge to the game, and surprisingly it doesn't slow down the game as I might have expected, and kept

## **Features Key:**

Cute and stylish artwork including cute aliens and robots from the Milky Way Galaxy

Galactic Gallery is a physics based shooting game that involves a ship traveling from planet to planet collecting the floating space-trinkets and coins. It is a score based game and the goal is to collect as much as you can.
