Character CLASSES • Swordsman – Swords are the ultimate way to wield the power of magic! • Thief – As these energetic and dexterous elves run down prey at the speed of the wind, we can only expect thieves to reach their goals through skill. • Cleric – Anyone who has been blessed by the ancient temples can become a cleric. Clerics are imbued with the power of the sacred, helping those in need. • Wizard – Spellcasting magic should only be used by those with a pure heart. Whether you're riding a broomstick or summoning fireballs, wizards shape the magic world with their spells. • Rogue – Steal anything you can get your hands on to make your way in the world. Nothing is sacred as long as you can carry it away. This is the life of a rogue. KNOWLEDGE, STAMINA, APLENTY • As a character who has the ability to wield magic, you'll be able to develop your wealth of knowledge, health, and stamina as you choose the destiny that awaits you. • As your strength increases, the gameplay becomes more difficult, while the attributes of your physical power and magic will also be increased. • By collecting experience points, your APLENTY will increase, giving you an edge in battle. • As you level up in all three areas, you will obtain various skills for each attribute and receive various bonuses. • When you reach the Ultimate Edition, you will be able to obtain skills with the addition of APLENTY and skills for areas other than your Knowledge, Health, and Stamina. STATS • Stats will represent the levels you have reached. • The higher your stats, the better your stats will be. • While maintaining a high level in each stat will require time and effort, this effort will greatly increase your APLENTY, so you can use APLENTY points to your advantage. • Attribute points for APLENTY will be acquired at various times, and the amount of stat points will increase in proportion to the APLENTY points that have been acquired. • For example, when your APLENTY points are 400, you will be able to acquire a stat point for one of the attributes at a rate of 0.4. ITEMS • Items are the basic equipment that you will acquire to equip your character. • Using the

## **Elden Ring Features Key:**

Huge dungeon adventures including large battles. (Ex: 4 times larger than Dungeons 2.0)  
The first game that has a true online RPG like Battle System, "In Story Mode" (World Map, interaction, etc.)  
A variety of NPC like the amazing character creation that we have not yet tried out. (We can make various character developments, plots, battles, and storylines)  
A multi-layered story in which the various thoughts of the characters interconnect. (We will be taking on the "Zelda Breath Of the Wild" model and tell a story of "Zelda" that has a network connection)  
Classes that are fully differentiated and developed. (Unique classes that carry out the concept of "traditional RPG")  
Surprise encounters coming out in accordance with your actions. (Bring on the stories of the Land Between)  
A large world full of new discoveries, weather, and animals. (High fantasy, roaring with the hustle and bustle of the world)  
Experience the shocking tales of the Land Between that much closer to real life.

**What's new:**

■ **New Feature Incantation:** The more spells a level 5 Warrior can learn, the more its Combat Spell will elevate.

■ **System Change** Firstly, the Character Unit Promotion system with Load Level will be removed. Secondly, the Formation Class, Cost, and Formation Limit have been removed. Thirdly, the Character Level is now increased by the Character Unit's attributes and Attack Power, not Leveling Up. Fourthly, the Cost of War Cry has been decreased by 50% to allow high-level cast spells to be used frequently.

**Nosocomial Game Systems**

The castle prince has a suspiciously calm and proud expression. But the blood of Akkiks(NPC), who was killed this morning by the soldiers accompanying the prince, spurts forth from his throat.

Nosocomial has acquired fluid, which was a currency used to trade in the ancient society of Crimea, in its online transaction system. If it is traded for products with Nosocomial from other game worlds, Gringoid Collectable will be sold by using Nosocomial's MONEY, and treasure chests will be sold, in addition to Nosocomial Coins.

The death of Akkiks caused a panic in the castle, and the scene is now in an icy calm. The existence and death of the beloved prince of the adventure dungeon, the inexplicable existence of a fresh supply of blood, all of it has cast a strong impression on the soldiers.

Assailant characters and the fortress sentry, who do not understand the context, attempt to interfere

Depressive patients who seek treatment are a heterogeneous group. Knowledge of factors associated with the development of personality disorders and the relationship between personality disorders and objective psychiatric symptoms is important in this group of patients. The aim of the study was to estimate the prevalence of personality disorders in patients who sought treatment for depression, to estimate the relationship between personality disorders and objective psychiatric symptoms, and to estimate the relationship between depression severity and the presence of personality disorders. The study consisted of a cross-sectional study of a sample of 507 consecutive depressive patients. Five subgroups were estimated on the basis of their duration of depressive episode, previous history of depressive episodes, previous history of comorbid disorders, and number of previous episodes. The presence and severity of personality disorders were examined using the Personality Inventory for DSM-IV (PID-5) and the Brief Symptom Inventory (BSI). A relationship was found between the PID-5 personality disorders, duration of the depressive episode, previous history of depression, and previous history of comorbid disorders. A relationship was found between the BSI anxiety, depression, and hostility subscales. A relationship was found between the presence of personality disorders and depressive symptoms
