"You can expect a large, immense world that will be filled with various things to do. The game's story is a fantasy drama set between the main world of the series and an independent world. The two worlds are connected, and the drama between them is related to a legend." - PC FORUM "Amazing visuals and an interesting story line." - PLAYTO "Tense gameplay with more twists and turns than you can possibly imagine." - KAKUTO PSR "Attention to detail and the ability to feel your surroundings are a feature that makes Tarnished very enjoyable." - FDS "The biggest thing that Tarnished is it's attention to detail and the wide open map. This game is the epitome of RPGS." - CINEMAGIC "If you are a fan of the FFXIII universe, then I would recommend trying Tarnished" - LETTHARGUY "Tarnished is an action RPG that offers fans of the series a new adventure. While Tarnished stays true to the series, it brings with it a large, and sometimes confusing, story that keeps you hooked. With a clean user interface and enjoyable features, Tarnished has done a fantastic job at making itself a name within the RPG scene." - IGN "The graphics are excellent, the varied gameplay is a great change from the norm, and the plot is beyond enticing." - NINOIZ "An excellent story, gameplay, and the feeling of power and dominance that a dedicated player will feel in this game." - MAGZG "You should try it!" - THE FUELED "Tarnished is a refreshing change from the norm. As an RPG fan, I have tried a lot of games. I played a lot of RPGs that weren't very good and I also played a lot of good RPGs that weren't worth the money I had to pay to play them. Tarnished, however, has things I've never experienced before." - DINO "What makes Tarnished unique is the action RPG feel and vast world in the Lands Between, which are the great areas of bff6bb2d33

What's new:

ROAD TO BATTLE 〓The Road to Battle〓is the first action role-playing game to be developed by KOEI CO., LTD. (hereinafter, KOEI) Using KOEI's action RPG expertise, TRUE STARS showcases the latest in action RPGs, and will showcase yet more refined gameplay features, including online multiplayer.

Some of the In-Game Features

Character Creation When creating your character, you can freely assign elements from a variety of pre-existing fantasy races to your character. The races each have their unique characteristics, so you can create even stronger individuals by combining them. As you will learn more about the races in the late-game, they will appear in the story as more powerful examples.

Game System Core Actions Using a three-element combo system, you will be able to unleash your attacks by combining the fundamentals of action RPG games. Your characters own individual skills, and you must form combinations with your enemies to take them down effectively.

Battle System

The role of your skills in battle has been refined. Your character can freely move around, while also using various skill boosts to attack and escape, or to attack the enemy with skills in a new dimension. Even when you take damage from an enemy, your character will keep up their movements and continue attack patterns.

Battle Maps "The Road to Battle" shows a variety of battle maps for you to explore, ranging from open fields to decorated areas to huge, imposing dungeons. Additionally, the battle maps introduce a unique feature. As a reward for obtaining items and experience, you can mark your map with special elements, and other players will be able to see and interact with your markers in real-time.

Main Story Along with battles, you will experience classic action role-playing games in the story mode. From protagonist Betz, who searches for his family, to the members of Storm, who are looking for Betz, you will encounter other strong and mysterious heroes and experience the rich lore of the Elden
