The new fantasy action RPG from NIS America is a remake of a game that was first released on the Playstation 2 on Sept 7, 2003. It retails for \$39.99. In the beginning there were the god of light, Shuten-dōji, and the god of darkness, Shūkurō. And the story goes that Shuten-dōji was jealous of the brilliance of Shūkurō and stole the power of light. As a result, much of humanity died and Shuten-dōji retreated back to the underworld. In the east, out of the darkness emerged the people of the Mist. These people are the descendants of those who escaped the destruction of the world. For some reason, the world no longer exist, and the country has been divided into numerous regions. These people have been unable to truly progress for some time. A land called the Lands Between has been in a state of chaos and an evil power named Zennin is steadily gaining power. If you are a fan of fantasy, this game is a must buy. It has an amazing story with rich world building. So what is it about? The Lands Between are where the dead go when they die. This place has been destroyed, and it is in this world, in the Lands Between, that you live. You are a member of the Mist people. You have lived here for many generations. Only recently, have you suddenly noticed the recent changes. Through unknown circumstances, you have come to realise that the world that once existed is dead. NEW FEATURES - New Main Character - The new main character is a young girl named Alcia with great desire, is her first job after work as a job. In addition to breaking the routine and discovering a new world, she is also a source of light. - World Map - As you travel through the world, the world map constantly changes. In addition to the Open Field and Dungeon, the World Map changes depending on the current situation or current dialogue. - New System Features - An entirely new system called Docking Points has been added. When you enter a dungeon, you can use a Docking Point to instantly teleport to the destination. In addition, you can purchase or auction items using the new item storage bff6bb2d33

What's new:

A POSSESSION. She is a witch who lives in a magnificent forest in the forbidden side of the lands. The story begins with her death and her spirit escaping from her body. She follows her own path in the vast world, ending up in a part of the story where she meets a man who possesses the power of the lost soul and protect the young woman he has taken in. The witch spirits can possess the items around them, but the power of the person who possesses the soul weakens the spirit. But there is a being who protects the soul, and if the soul possesses the body, the person lives forever with it.
