**How to redeem THE NEW FANTASY ACTION RPG? Summary of content of THE NEW FANTASY ACTION RPG: ■Gameplay and setting In the Kingdoms Between that stand beyond the Edge of Time, there is no dawn, no twilight, and no night. To reveal the secrets hidden in the darkness, this world was gradually controlled by the Republic of Nobles. And to secure the power and position of the Kingdom, religious orders were forged, and the Kingdom was sealed by the Order of the Blade and the Order of the Hood. The rules of this world were set for eternity. This is THE NEW FANTASY ACTION RPG. ■Online Play Multiplayer: You can directly connect to other players via the Internet and travel together. You can also play a single-player game in campaign mode and join an open single player game as you wish. It is possible to battle with opponents from all over the world using the Party Match system. Asynchronous Online Play: In addition to the multiplayer online play, a unique asynchronous online element allows you to feel the presence of the other players online, while you are playing a game. ■Visual Features Enlarged and high resolution display for the first time in Sekai Project: The Game Engine enables to enjoy the incredibly detailed artwork in the Kingdoms Between. The Forbidden Lands gate, The Central Cemetery, and the Order of the Blade Castle present themselves even in high resolution. Moreover, the world of the Kingdoms Between is unfolding before you day by day and night by night in style. The method of displaying the game world differs between daylight and night. At dawn and dusk, it is displayed in the same resolution as at noon. Even in high resolution, the scenery is displayed with beauty, and night scenes enrich the majesty of the environments. ■Singular Graphics All the characters in THE NEW FANTASY ACTION RPG are depicted in an isometric real-time rendering system.**
