discrepancy of the karyotype might be due to the difference in the number of probes used in the two studies (73 in our study versus 40 in the original study). The deletion reported here in the *ASXL1* gene was previously reported as a recurrent abnormality in AML cases of MDS-L by Cools et al. \[[@CR11]\]. The deletion was found in 5 out of 20 (25 %) MDS-L cases. The percentage of *ASXL1* deletions found in this study (12.5 %) is in keeping with the recently reported frequency of *ASXL1* deletions in MDS. Souto et al. \[[@CR28]\] reported the frequency of *ASXL1* deletions in 280 MDS cases of various subtypes. Based on a genome-wide SNP array and FISH analysis, the authors found a frequency of 1.5 % *ASXL1* deletions in a cohort of MDS cases (24 out of 1,554). They also found a significantly higher frequency of *ASXL1* deletions in refractory anemia with excess blasts-1 (RAEB-1) (13 out of 161 cases). In an Italian study of 77 patients with de novo AML, 15 of them (19.5 %) were found to harbor *ASXL1* deletions \[[@CR13]\]. Similar to the present study, *ASXL1* deletions were frequently detected in MDS-L and all four cases were refractory anemia with excess blasts-1 (RAEB-1) subtype. Among AML cases, *ASXL1* deletions were detected in 15 of 44 (34 %) cases in the 5q- MDS cohort, and *ASXL1* deletions were found in 3 of 17 (18 %) cases in the AML-MRC cohort, which is in agreement with the percentage of *ASXL1* deletions observed in MDS-L in this study. xy Plague is the next game in the beautifully romantic sci-fi scene in Off Grid Games' series. Based on the original 1983 Gameboid game which included a highly rated mini-game 'Balloon Fight'!

xy Plague is an action-RPG where you play one of seven unique characters to race through a vast futuristic world, battling through dangerous alien insects, uncovering a mysterious plot and saving the galaxy. Players can enhance their skills by acquiring more powerful Core Items and Level Up their characters. The game also has an Offline Mode, where the Gameboid is used to play offline without any internet connection. This brings you into the atmosphere of the game like never before. Off Grid Games is a studio known for creating highly creative and entertaining game designs with large amounts of content. This over the top action-RPG has all of Off Grid's trademark features, in a fantastic sci-fi setting. This game has Play-as-All-Characters, and a multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.

ABOUT THE DEVELOPER:

Off Grid Games are specialists in exploration. They love to leave space behind and enter uncharted territories in imagination where other developers have not traveled before them. Off Grid's space is far away, but not far away to them as well, with protagonists of their stories roaming through ancient alien ruins, vast open landscapes or technologically advanced futuristic cities. Lunar Men, pioneers of the modern genre, Off Grid Games discovered a new frontier and are leading a new breed of developers with their sci-fi games. They love art and want to share their passion with everyone. Off Grid Games promises to be a short flight and a long journey. To live their own dream of another kind of space, far away from reality, imagination, and battle with alien enemies and uncover their secrets. Imagination is the power of Off Grid Games and story telling is what they are all about.

GROUND A Tarnished Goddess The Goddess of Pride and Joy, the titanic goddess
justice, rules the all-encompassing Elden Lands. When playing in her capital city,
Elden Ring, she is praised as a fair and generous deity. Although she retains this
e, she is a deeply troubled deity, oppressed by the fear of a secret that
stems the whole of the Elden Lands, and that she alone holds in her heart. She
s to suppress this fear and bring the culprit, the one who cast this spell, to
ce. The despair and suffering of her people weighs heavily on her, causing her to
draw from the world. She leaves her capital city and goes deep into the
mountains, seeking solitude and peace. A god of justice and pity, she has grown
content with what she feels is the sedentary worship of the Elden Rings. A lone
ess within the Elden Lands, she has spread her love to her people, and her
light has shone upon them, even on the people who have turned their backs on
her. However, the goddess is content with her solitary existence, and becomes
gradually filled with fear. She hides within the mountains of her realm, along with
frightened and powerless people. Eventually, a hero is needed. A Return from
Exile The land of the Elden Lands is a place of great wealth and beauty. The
stone roads of the capital city, Elden Ring, run for miles in each direction. The
squares are lively, and bustling. The shops sell a great variety of goods, the
houses are opulent, and there are public baths everywhere, as well as beautiful
gardens and places of recreation. During the long and pleasant days of summer, the
Elden Lands takes part in a great festival, the "Grandest Carnival", where people from
everywhere over the lands come together in a great celebration. Wealth and happiness are
enjoyed in abundance. But the goddess of joy and pride longs for more. The festival**
