The goal is to enhance the player likeness and create more natural ball behavior in both Pro and Amateur modes. The individual player control will also be upgraded to provide a better sense of authenticity. Proven gameplay features New Pro control - real man for real man's game. New Pro control gives new sensations of feeling the ball with your foot, and seeing it live in real time. You have control over the ball in every situation, even the most extreme. New Player Behavior - a new ball control system to create more exciting gameplay. This control system is the basis of FIFA 22. Ten new game physics - including new dribble, dribble control, new off-ball movement. New animations - longer and more realistic animations. Improved FIFA Ultimate Team characteristics - Better ratings and better international prospect ratings. Better attributes and skill ratings - Improve the value of players and create more depth in gameplay. Dynamic camera and pitch access - improve control of action and implementation of open spaces. New soundtrack - New, more immersive, more emotional, more connected soundtrack. Focus on the players - improve the quantity, quality, variety and realism of players and also their overall animations. Network P2P - New P2P networking mode allows faster and more reliable players and teams. The dynamic player weight system provides more authentic and responsive off-ball movement. Full support for Pro Evo - The next generation of gameplay, the first ever physically simulated football gameplay in soccer on consoles. Dynamic pitch - The pitch now reacts dynamically to the game situation, changing its overall pitch surface properties (in pitch dimensions and specific surface composition). New feature for the pitch - Players now carry the ball in their hands and the ball bounce behaves differently on grass, sand, wood or artificial surface. New goalkeepers model - featuring new responsive goalkeeper animation when the goalkeeper dives for a ball. Team and player creation - players can be created more easily using an improved team creation system. Real Pro Evo - Devotion to the Real thing - Pro Evo mode brings the authenticity and reality of the FIFA series to a new level. It includes features from all editions of the series, from FIFA 1 to FIFA 16, like realistic player death, realistic injury and unprecedented reaction speed. In addition to the variety of gameplay that Pro Evo

Create a footballing legend with FIFA Ultimate Team. Collect and upgrade superstars to dominate your rivals in single-player and online play. Play as more than just the star on the field, build the perfect team that suits your playstyle – playmaker or defender, young or old – to bring them to the very top of the game. FUT introduces the brand new Draft Draft Master – a brand new way to set your Ultimate Team when you start playing in FUT. It feels like a fresh approach to the FUT experience and is a brand new way to start a FUT team. With Draft Draft Master, you will be able to start your team off with your own squad of superstars from across the game, rather than relying on random ones you get in FUT packs. This means you are set up to dominate your friends online and take them on in head-to-head competitions in the game with your custom-made FUT team. Make It Your Own – With the ability to build your own team, create your own dream squad of superstars, share your teams with friends and dominate the competition in your first head-to-head battle as a team of your own. The Tournament mode will also be available in the brand new FIFA Ultimate League, where you can compete against friends online. FIFA Ultimate League will be available as a special Season Pass exclusive offer to those who purchase FIFA 22 Ultimate Edition. New Features Match Day Champions – Play as the Match Day Champions in Challenge Matches. Based on the real-world concept of “Play For Your Country,” Champions can play as their club, country, or region in a number of different match types. Win the match and your country, club or region will progress and earn more resources for the next round of the tournament. Make It Your Own – The brand new Editor will provide you with everything you need to create your own team. With the ability to build your own team, create your own dream squad of superstars, share your teams with friends, and dominate the competition in your first head-to-head battle as a team of your own. New Features New Scout Tool – The Scout Tool allows you to watch a player and his team play and offers additional information on current player traits such as use, stamina, and speed. With the new Scout Tool, it becomes even easier to find and sign the next superstar. New Pick and Play Tool – Now, you have the ability

What's new in Fifa 22:

- **WIDE AUDIENCE MOBILITY™** - In FIFA FIFA 22, players can now use Zones when targeting and intercepting a pass.
- **REALISM BROUGHT TO LIFE** - EA SPORTS FIFA is bringing players closer to the game through a completely overhauled animation system.
- **FUT 20 PES MASCARA** - See better where the ball really is in FIFA 22, as well as how your player moves with your run and leap in PES. **FUT 20 PREMIUM MASCARA** - Play with more authority through in-game enhancements, while taking into account off-the-ball movement and realistic ball control. **FUT 20 MASCARA** - Feel the tension, delivery and speed of your ball as it travels through the air thanks to an entirely new physics system. **FUT 20 MASCARA RENDERING** - Seeing the ball kicked in all directions throughout its trajectory is no longer something of the past in FUT 20. Now we look at how far and high you can execute a kick, and how well you can kick the ball into a space that only exists by your will.
- **FIFA WORLD CUP™ OFFICIAL MATCHES** - Take on your friends in a variety of game modes: Friendly, Online, App, and more! Every International and World Cup™ game from the 1990s to the present day is featured in a variety of game modes. **FIFA World Cup™**
- **PLAYER EXCERPT™** - Join your best fantasy team like never before.
- **WIDGET MANAGER** - Turn all the different aspects of your digital life into widgets, including your notifications.
- **MULTILAYER WORLDS** - Create and control up to 12 unique game worlds called World Clusters (WCs).
- **HEAD-TO-HEAD STRATEGIES** - Introducing Clusters which give you more pieces to place on the board at the start of the game.
- **FIFTEEN FOREVER BEATS** - These unique Grammy nominated songs are specially created to work as game tracks to enhance your FIFA Ultimate Team game experience.
- **THE OFFICIAL STADIUM LEDEAGE** - Unlock a huge range of high-quality stadium interiors in the brand new Club Football packs.
