Explore a Vast World Explore a vast world that's filled with unknown and terrifying creatures, exciting battles, and rich dungeons. There are open fields that provide an excellent challenge to your strength, and huge dungeons where creatures that can challenge you are lurking. So you'll need to use smart and strategic tactics to get through the massive challenge. Pushing forward to your destiny Not only you but also your companions will grow and evolve alongside with you. You can choose your own path to become the most powerful character in this huge game. You can customize your character from the equipment to the skills. You can freely combine weapons, armor, and magic that you equip. Let your ideal character appear in front of you. Defeat Enemies and Acquire Skills As your strength grows, so do your enemies. You need to sharpen your sword and battle more and more challenging opponents. In battle, you'll find many types of weapons, armor, and spells. You can equip a weapon to increase your attack power or to gain more defense. Take advantages of your armor, which gives you various buff effects and skills, and prepare your skill meter. You can form magic combinations of up to 6 levels, and hit enemies with these powerful attacks. ### Features Key:

**A Vast World** ~150 km are spread out the Lands Between - a never-ending countryside for fans of massive open worlds! A vast world that is easy to become immersed in detail.

**Create Your Own Character** ~Create your own character by choosing one of four races (Maven, Dullahan, Tarnished, and Jade) and over 30 classes. Delve into the world of series favorite KADEN where "you can freely combine weapons, armor, and magic that you equip."

**Experience Something Beyond Your Expectations** ~In addition to the main scenario, several powerful side events appear in the game (in which some characters are soloable). You will also discover various hidden elements in the world. If you want to experience the game content that isn't one of the main quests, you should choose the **Side Quests** option when you select your game type. We hope that you enjoy these extra amounts of content!

**Get a Free Item Box A box of exclusive Items waiting for you in your inventory after you complete your First Quest**

**A Powerful MMO System!** ~ In addition to enjoying the many different Quests, you can enjoy a PvP battle in the BATTLE TONIC system. The BATTLE TONIC system allows you to enjoy online battles using up to 12 players. Fight against other players using various weapons and armor. Earn rewards and have fun with friends!
