Elden Ring is an action RPG for the PlayStation 4 developed by Bluepoint Games and published by Sony Computer Entertainment. It will launch globally in 2019. The fate of the Lands Between hangs on your choice as a new, solo Hero. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. Freely customize your character's appearance and gain new weapons, armor, and magic. Tear through the three-dimensional world of the Lands Between and unravel the mystery behind your Goddess. The world awaits your arrival. Key Features ■ Crafted by Bluepoint Games Elden Ring is developed by Bluepoint Games, the same studio that has created action games such as MLB the Show 17 and MLB The Show 17: The Show. ■ Unique Online Play This action RPG features an online component that lets you meet up with other players and search for and join guilds. ■ Three-Dimensional World Elden Ring takes place in the Lands Between, which is a fantasy world that has been opened up by the Tree of Life. ■ Multiplayer You can directly connect with up to three other players in synchronous and asynchronous multiplayer. ■ Asynchronous Online Play In addition to singleplayer, the game also supports an asynchronous online element where you can freely talk with others. ■ Customize your Gameplay Experience Thanks to the diverse customizability of your equipment, you can freely change the way you play. ABOUT BLUEPOINT GAMES Bluespoint Games is a game studio established in 2006 by Makoto Koide. Elden Ring Torrent (Activation Code) For Windows

A fantasy action RPG with a multiplayer online element that has been designed to smoothly connect the player with others. Map View (Up to 5 Friends Online, Chat and Search Functions) SYSTEM OVERVIEW ELDEN RING game: Development of the game is underway to establish a system that will provide the best possible play experience, and will ensure long-term support and reliability. • A World Where Time Feels Reversible A world where the past and present are fused together, and time and space are lost. • A Brand-new Fantasy Online Game Engine A brand new fantasy RPG game engine that will provide an exciting experience by maintaining freedom and limitations that are fitting of a fantasy RPG. In this age, countless technologies are spreading through the world like wildfire. Nearly every human on this planet is wearing a watch and ever-growing number of smart phones. On one hand, these technologies have brought about great convenience to our everyday lives, while on the other, they are turning us into slaves of time. We no longer have a sense of time, but are separated from our natural environment and a sense of time and space are lost. In addition, technology has accelerated the flow of time from the past to the future. The generation gap between the living and the dead has turned into a widening rift. Therefore, in this devastated world, we need to embrace time and meet once again with the long-dead. The people that died in an accident or from illness are people of the past. We need to restore our memories and visit them in an effort to overcome their deaths. The World of Elden Ring is a brand-new fantasy world in which time and space have been reversed. The Lands Between are home to numerous fantasy lands, and our protagonist, a future prospect that has just lost his parents, embarks on a journey, seeking to reconnect with the past and restore the missing memories. The protagonist also meets other deceased people who also lost their memories, and they work together in an effort to restore the truth. CUPE: THE REINCARNATION CUPE: THE REINCARNATION is the battle that took place between the Goddesses of Time and Space to determine who would win the battle to revive humanity. Struggling to recover from the devastation caused by this
