Swim like a fish: the water element is your best friend. Use magic to alter reality: cast different types of magic based on your situation. A mighty sword from the future, your best weapon is the Elden Sword. A warhammer, to raise the mountains! The two magic books of the Green and the Red are your best companions. A strong shield for defense and a light weapon for offense. More than 10 different types of armors are all that you need. Three types of Magic are enough. You can cast any type you want as well. You can create various clothes and accessories as you wish. You can customize your appearance to show off your pride. Game Features: 1. Beautiful environment A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. 2. The Story of the Lands Between A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. 3. Character Design System The game allows you to customize your character freely by choosing from several races, 6 face types, 5 colors for the face, and 17 hair styles, as well as 3 sets of hair colors. You can also customize the appearance of your weapons, armor, and accessories. In addition, you can freely combine these to increase your character's customization. 4. Competitive Online Play You can play competitive online against other players in real time, or via asynchronous mode. You can also play with friends via internet. In online play, use audio visual chat (Voice Chat), text chat, and guild chat, among other features. 5. Customized Content The game allows players to change the appearance, movement speed, and interface settings of the game client for more enjoyable

gameplay. 6. Customizable Control Settings You can change the number of walking steps (Ranged Attack, Teleport, etc.) and the control scheme (Mouse or Touch) to suit your preferences. 7. Private Dungeon You can create your own private dungeon to explore, or enjoy for free! Using the same dungeon creation system as

What's new in Elden Ring:

GRAPHICS:

The fine details in the rendering of even small characters are well-defined and can be easily distinguished and also looks really fantastic. And movement, it is truly an exhilarating sight.

SOUND EFFECTS & AUDIO:

An epic drama born from a myth comes alive with high-pitched battle cries and sinister sounds. Interaction with other characters comes alive with an immersive sense of presence. And even the music and voice that combine to create the world. *Please note that the USB Headset or Closed Caption are not supported for video contents only for the descriptions. For the voice, you can adjust the volume settings.*

INPUT & INTERFACE:

Wii U hybrid Wiimote

With a look of confidence and grace, incredible world drama and sharp features, the Tarnished - Sword of the Elden Ring will be your trusty companion as you venture on your Tarnished Journey.

Girls! I know this isn't a girls game, but I have a question : Is it totally possible to tip a girl on the games or is it something you have to do
