5/5 - Eurogamer "Elden Ring is a classic fantasy RPG reborn."

An old game in a new guise, the studio has breathed new life into an older title with the promise that it will “blow you away.” " 4.5/5 - IGN "The Elden Ring adds a compelling story, a variety of dialogue options, sidequests, and dungeons to the classic JRPG formula. It doesn't quite live up to the original's glory days, but if you're looking for a new adventure, this promises to be a charming one." 5/5 - Nintendo Life "The Elden Ring definitely delivers on what it promises. It's deeper, richer, and more detailed than you would expect from a mobile game, and has an addictive narrative that is far from forgettable." 90/100 - Touch Arcade
