A fantasy action RPG by KOGNES GAMES, the creator of Lost Odyssey and The Last Remnant. Engaging in action RPG play, Tarnished, a young woman, will adventure in the Lands Between after being attacked by a monster. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. • An Action-RPG Convulsed by the Fingers of Fate A fast-paced action RPG with real-time combat based on ATB Real-time combat action game that builds on the “Dreadnought Musashi” battle system • A Grand Action RPG An action RPG with a strong sense of epic scale in its scenery and music • 4K Graphics with vivid, life-like details Exquisite CG images with an abundance of anime-like illustrations are displayed in vivid 4K resolution. • Detailed Real-Time Battles Real-time battles with a strong sense of action. • A Unique Battle System Based on ATB Open world action RPG battle system, “Dreadnought Musashi,” in which your environment and enemies are involved in battle. • Dramatic Map Change Your environment and enemies are involved in battle. The various enemy monsters and characters fight within the same environment in turn. □Official Website□ Reading Of the Faith and Credit of the United States William Paterson (West Paterson, N.J.) Features Key:

Play as an Elden Lord and rescue an aging Aragami
Create the landscapes and dungeons where you play
Safe and easy operation with the controller through Arc System Works’ intuitive controls
Comprehensive and intuitive character progression system
Enchant weapons and armor to become more powerful
Add your custom functionality to create a unique experience

World: **Tarnished**

One game world with A/V sync and asynchronous online support.

Convergence of Online and Offline

Multiplayer and asynchronous online operation are supported through the server of HOME GAME WIRELESS PLATFORM (HGW).

Asynchronous online operation will not interrupt or delay the game progress.

Shared Content between Online and Offline

Find other players' data through home network or online service and receive optional content that others can provide. The data is shared between your device and the others' devices, as long as they are connected to the same Wi-Fi network.

Unique Online Features

- Customized Battle Interface from the Game Customization tool. A casual and familiar interface is offered that can be changed easily.
- Missions that are much more enjoyable to play in a multiplayer mode than in offline.

Character Progress and Customization: **Tarnished**

Customize your weapons, armor, and magic and develop your character as you like.

Character Customization Screen

Select a character with various customization methods.

Missions and Playable Characters

When you advance to the fifth edition, the party missions that are difficult to play as a single player will be displayed. The number of successful characters, and hence the chance to receive a reward from this mission or the adventure party rating, will depend on the number of players in this party.

3.5 out of 5 stars Beautiful graphics, incredible atmosphere, and solid gameplay. All in all, this is a great RPG with a lot of replay value. 5 out of 5 stars I would have given it a higher score if it wasn't for the discovery that the equivalent of my entire character's stats is reset every 5 levels 4 out of 5 stars This game gives you the chance to make yourself the best a person can be. If you have money and want to spend it you can do it and it'll be worth it. This game took me a lot longer to finish than most full priced games. I only spend 4 hours on the game but I'm so happy I did. 5 out of 5 stars Great game. Really well thought out and designed. I will be getting this game. 3 out of 5 stars I think this game is a good game but I dont think its worth the 80 dollars I spent on it. The game is very well designed but it is way overpriced. The game should be at least half that price and then you would get more out of it. 1 out of 5 stars I just spent 200 dollars on this game and now I can't download it. I started playing on iPad and was playing the first cut scene and then it gets to the point where it says that it can't download and it tells me that the internet is out or something like that. I don't know what happened but my experience was terrible. Now I'm going to have to wait a month until the game comes out on the PC. 4 out of 5 stars The graphics are just phenomenal. The only problem is that there's no tutorial. I'd like for there to be some tutorial for new people so that they don't have to go through the same thing all over again. This game has become my favorite console game for sure. 2 out of 5 stars The story of this game is really weak, it really lacks a story to begin with. It's just always travelling. It's fun traveling but it never really gives you a reason to go somewhere else or explore and you have to do it for your own achievements. 5 out of 5 stars I was a bit disappointed with the game but I was looking forward to it. 2 out of 5 stars It's ok. Dramatic Story ■ About the Lands Between An isolated continent, Terra-Ultima is a paradise island made of fantasy and mystery. The Lands Between is the floating continent that lives on the other side of Terra-Ultima's geological fault, and it is in this island of wonder that the fascinating story unfolds. A magma rift bursts open there, and the powerful powers of an ancient god are released upon the world. From then on, the Lands Between was floating in between the lives and the destruction of all living beings in Terra-Ultima, and a turbulent legacy of disasters was left behind. Now, as the Lands Between begins to unite and rise, it creates a grand stage for a once-in-a-lifetime action. ■ **About the Development** This action game was developed by Square Enix Ltd. With the setting as the Lands Between and a vibrant online environment, it presents an experience full of the elements of fantasy and action. ■ **About the Author** "Eden RING" was born from the passion of the development team of the action RPG series "Shantae" and "Virtue's Last Reward", and was conceptualized as a fantasy action game with unique elements. With the same team from the acclaimed game series, the worlds of "Eden RING" are rich in atmosphere and contain various characters and the story unfolds through their thoughts. It has been almost two years since my last article. The most important reason for this lull is that I have been a real dad. Not to appear pretentious, but what I mean is that I am a real dad or rather my wife has become a real mom. She looks at me that way where a look that leaves an imprint in my stomach, a look through which I have learned to feel when she says hello or hugs me. So I am a real dad. And being a dad means that not only did I raise my children but also the spouse that feels like mother of those same children. My hobbies those few years of not wanting to talk about family at all and when I did, it was with a little nostalgia talking about my dad hobbies have acquired since he became a father. Among those I would have to mention Game Masters. It's true that we were all game masters at one time or another, and for me, I started very early on but I got so lucky to have that hobby develop. It was then

when it became not a hobby but a passion. It is an extreme case,
