Adobe's own tutorials on Photoshop Adobe has made a great deal of value of the tutorial feature on their website, giving users access to free online tutorials with every purchase of Photoshop. The site links to free public and private tutorials from 4,000+ topics including Photoshop, Adobe Design products, multimedia, imaging, Web design, product creation and more. Users can explore multiple pages for tutorials including "Tutorials and Tips," "How to's," "Training Videos," "Blogs" and "Forums." As a nice and simple way to search, users can use a tag to narrow their search to a specific topic, a date range, or a specific site. Users can set up their own free account and access to unlimited downloads and videos. Over 4,000 free tutorials are available with instant access from the Internet. Free trial versions of Photoshop are also available to those that do not wish to pay for Photoshop. Adobe describes itself as, "The worldwide leader in multimedia and design solutions, Adobe is an industry leader in software innovation that engages artists, designers, marketers, and developers with the leading tools for image creation, video production, and social media." With that description in mind, the following features are what Adobe describes in their official online documentation for Photoshop: "Create and share original works of art that are like no other" "Create stunning projects for all screen and print applications - from web to video, print and beyond." "Professional photo retouching, making, and publishing" "Create and edit video, audio, and 3D content." "Enhance, convert, compress, and assemble audio and video." "Create online animations and interactives, static images and vector graphics" "Transform and customize content by combining multiple images, text, and shapes in a single design." "Publish to multiple platforms and social networks." "Take advantage of the latest editing and publishing features in Photoshop" "Seamlessly combine elements to build your own compositions" "The end result is an interactive work of art you can share and see immediately." The mean velocity of the superficial venules in the perineum of patients with chronic prostatitis. The aim of this study was to identify the vascular mechanism of chronic prostatitis using laser Doppler velocimetry. The mean velocity of superficial venules of the perineum was measured with a laser Doppler velocimeter in 57 men with chronic prostatitis and 20 healthy controls. The mean (+/- standard deviation) superficial venular mean velocity was 16.6 +/- 5.3 cm/s in patients with chronic prostatitis and 13.2 +/- 5.4 cm/s in the controls (P = 0.03). This result is consistent with the invasive venule techniques and suggests a major role of the venous drainage system in chronic prostatitis.Tropical Storm Mirna The name Mirna has been used to name four tropical cyclones in the Eastern Pacific Ocean. It's easy to configure autoloading for all my entities and have Doctrine autoload all the classes on its own, but there's no way I can figure out how to do autoloading classes into the object instantiation. Here's a short example of what I'm trying to do: $entityManager = $this->entityManager ->get('My\Entity\EntityManager'); $newEntity = new My\Entity\Entity(); $newEntity->setId(99);

Are you up for the challenge? What are you doing February 21st? Most people have at least one thing planned to celebrate Valentine's Day. It's actually very easy to get caught up in the day and forget what it's really all about. For the third year in a row, I'm participating in a fundraiser to help find a cure for breast cancer. This year, I volunteered to freeze my appearance for two days to raise money for the American Cancer Society. The plan was to freeze my head, neck, shoulders, elbows, hands, legs, and feet. The last one was the only parts of me that I hadn't yet frozen and so I decided to just do my face and hair. The fellow I did my hair and face for had asked me to design a logo and a calendar with her that he could sell for his friends and relatives to raise money for The Bear Necessities, Inc. Since most men with breast cancer don't have much cash and don't have
