Six players are sampled from the UEFA Champions League, English Premier League and La Liga among Europe's biggest leagues to determine the best movements and most accurate artificial intelligence. In the case of world record-setting Barcelona striker Lionel Messi, his movements are scientifically enhanced using the Unlocked Movements of Lionel Messi Collection, which uses data from Argentina's best player. Coaching tutorials are also available to help players perfect their skills, with every coach delivering his own advice on what to work on. The FIFA coaching tutorials offer practical advice and tips to help players reach new heights in their gameplay. In addition, players can get advice from professional football players and coaches. Key Features: Specially developed for EA SPORTS FIFA 18 and EA SPORTS FIFA 22, the UEFA Champions League Skills Challenge will make any player a star. This new FIFA Skills and Teamwork Challenge mode will let players compete in special AI challenges that will make sure they master the new game. Unique Challenges in each of the 36 UEFA Champions League clubs have been written and introduced to the gameplay, giving players their first chance to test their own skill. Based on the Player's Unique Pass Module, UEFA Champions League will feature the best players from all the major European competitions, including Real Madrid, Barcelona, Paris Saint Germain and many more. Delivering unparalleled authenticity and unparalleled challenge, UEFA Champions League will let players develop their skills and creativity in a way that was never possible before on the FIFA series. FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. FIFA is the world's leading sports gaming franchise. With over 700 million registered players and sold in over 100 countries, FIFA is enjoyed all over the world. With FIFA you can take on your friends in the fast-paced ACTION STYLE™ matches, test your skills in the new FIFA Trainer, learn the ins and outs of the game with the FIFA Academy, or watch expert FIFA tutorials that you can access at any time from your FIFA Ultimate Team™ card. New for FIFA Ultimate Team™: Match Day - The new Career Mode introduces the goals from the UEFA Champions League, English Premier League and La Liga, ensuring that FIFA Ultimate Team™ continues to feel like the authentic global sport it is. Play the Game - New features, including the Direct Control 2.0 Engine and HD Matchday, make the action feel more dynamic and accurate than ever. New Team Styles - Download new Team Styles, and collect the most iconic kits in the world, such as Real Madrid's celestes and Barcelona's iconic Yellow with the Pizarro and Pinto-style kit. New Players: FIFA 20 introduces improved AI for defenders, managers and goalkeepers, and introduces a new strength and endurance test. It also introduces a reactive and stronger defence and saves when out of position. New Goalkeepers: Includes a new-and-improved Goalkeeper model in addition to the existing goalkeeper animation that compensates for their relative lack of talent and athleticism. Referees: Includes accurate goal line technology that will be used by Referees during the EPL season. AI: Introduces a more intelligent AI that will make a stronger effort to win the ball back, and make the game less predictable. New Women's Team: The brand new FIFA Women's World Cup France 2019™ team brings the beautiful ladies of French football to the pitch, all in new kits inspired by the Women's World Cup. New Ultimate Team Features: FIFA 20 introduces two new Ultimate Team features: Draft Champions and My Club. Draft Champions: You can now draft Champions by spending real-world money on their cards. Existing players on your team are automatically added. My Club: My Club introduces new visual customization and your own unique team name.
