## **Castle of Will**

Characters can enter a sacred place where a will to live emanates from the walls and staffs of the castle; an Elden Gate.

The Shrine of the Elden Gate is a world where you can experience the feel of a sacred place such as a shrine. An Elden Gate serving as a guide for players from the other side of the wall.

When you enter the limit of the Shrine, you will know that you are within the Castle of Will. The wall is the main structure, the staffs the main ceremonies, and the chalice is where you can receive strength. Here, you can find an area of the shrine where your character can breathe or use various skills.

Unlike traditional gods, the Elden Gates are here to preserve your heart's true wishes and nourish your

spirit. Therefore, they serve as the trusted guardian of the Oathbound Raiders.

Players who are honored in the other side of the wall can enter the Elden Gate in the Castle of the Heroes of Blood to hear the verdict on their courage. You can go back and forth by using an appeal ticket.
